

## Leesburg Girls Softball League 2012 Sponsorship Form

---

Leesburg Girls Softball League (LGSL) is the premier softball organization serving all girls ages 4-18 who live in the greater Leesburg area. LGSL has been providing a high quality, fun, and instructional environment to all girls regardless of ability or playing experience since 1997. LGSL offers recreational league softball as well as all-star and travel softball for girls who are ready for a more competitive environment. This approach allows our girls to grow both socially and athletically while they learn the game of fast-pitch softball.

Thank you for taking interest in LGSL. We rely on our sponsors' generosity to provide assistance to girls who may not otherwise be able to play. It also allows for additional training, equipment and opportunities for our athletes. LGSL is a 501 (c)(3) non-profit organization.
